CONFERENCE

Change is hard at first, messy in the middle and gorgeous at the end.
- Robin Sharma

The past few years have held a lot of change for all of us. ICD-10, PCS, EHR, MACRA, MIPS...and that's just in our work life! Change can be hard, and maybe we're at the messy middle, but we've proven ourselves to be courageous!

Join us for the best educational and networking experience as we embrace our future at the **12th Annual NJ Coder's Day Coding and Billing Conference.**

Metathesiophobia – the fear of change or changing things.

Solve the Scary Coding Scenarios

Visit the exhibitors to locate 3 ghosts of poor souls who met their untimely deaths.

Choose the correct codes to match their story and win prizes!

Change is good!

Monmouth Ocean NJ Chapter is following AAPC's lead and offering DIGITAL HANDOUTS in place of paper. Conference attendees will receive access to handouts prior to the event with paid admission.

Life-Changing Door Prizes will be awarded throughout the day.

Transformative Networking and Exhibitor Time

**October 30th Proclaimed as
New Jersey Medical Coders Day**

"...Whereas medical coders have achieved significant milestones in the sophistication of their profession through extensive education and training..."

"...the need for medical coders continues to increase in physician's offices, outpatient and inpatient hospital settings, and ambulatory surgery centers across the state of New Jersey and also nationally..."
